

REMARKS

In the Office Action dated December 16, 2005, claims 11, 22, 33, 39, 40, 42-49, 50-71, 85, 88, 98 and 99 were identified as containing allowable subject matter. In response thereto, original claims 1-105 have been canceled, and the allowable claims are presented herein as new claims 106-144. In rewriting the claims, they have been amended to identify the meaning of the terms that represent parameters of the system, where such meaning is not self-evident from the claims themselves, and thereby overcome the rejection under 35 USC § 112.

In addition, the title and abstract have been amended, pursuant to the examiner's request.

The application is submitted to be in condition for allowance, and a notice to that effect is respectfully requested.

Respectfully submitted,

BUCHANAN INGERSOLL PC
